## To Whom it may Concern

### 4.1.1 Availability of adequate infrastructure and physical facilities viz., classrooms, laboratories, ICT facilities, cultural activities, yoga Centre etc. in the institution

The Institution boasts of sufficient infrastructure and physical resources to facilitate an effective teaching and learning environment during the 2023-24 academic year, encompassing a total constructed area of 100 bighas to accommodate 542 learners. The instructional spaces are distributed across five building blocks, dedicated to classrooms, laboratories, and associated teaching tools. Within this framework, the institution is equipped with 16 classrooms and 4 laboratories, incorporating undergraduate (UG) facilities. To optimize the use of available resources, the college has meticulously designed its routine to ensure the efficient utilization of infrastructure and physical facilities. This includes the implementation of effective procedures to maximize the functionality of laboratories, promoting an environment conducive to learning and research.

It is certified that the information provided above are authentic.
