

From the *Principal's* Desk

“Educating the mind without educating the heart is no education at all.”
 Founded on 5th September 1988, on the birthday of Dr Sarvepalli Radhakrishnan, Maibang Degree College has been working relentlessly on its motto “*Searching for Knowledge and Excellence*”. Folk of the senior citizens, educated youth led by its founder Principal and the educationist Late Bhadrashwar Bodo pioneered the institution. His noble guidance invigorates Maibang Degree College narrating the story of dedication and sacrifice. The journey of higher education at Maibang was set for the necessity of education across the hilly terrain place among the youths enrolling students of weaker sections. It enhances the role of higher education in the district of Dima Hasao in Assam, situated in an area of 102 bigha plots of land including the Botanical Garden at the historical city and old capital of the Dimasa Kingdom, Maibang. My tenure as Principal of Maibang Degree College is enforced on 5th January 2023. It delivers me to patronise the grandeur of the institution in pursuit of knowledge and excellence.

Maibang Degree College was embodied by bringing a deficit-grant-in-aid system on 1st April 2001 and meanwhile provincialised on 1st December 2005. It has been ascertaining the needs and prosperity of the tribal and non-tribal people imparting the right to knowledge and information heightening the stature of education. The College has nurtured a spirit of moving ahead and keeping abreast with the changing paradigm as per NEP 2020 syllabus of Assam University, Silchar in the FYUG courses. The teaching fraternity justifies the process of teaching and learning by specialization to deal with the curriculum. The college has been imparting an undergraduate level of education in Arts and Science streams. Maintaining a clean and green environment has always been a part of our daily life. The ‘Eco Club’ and ‘Climate and Environment Cell’ of the College become an inspiration for the students to love and nurture the nature.

As such, Maibang Degree College is now enlarged in its scope, functions and infrastructure ennobling facilities of a library, smart classrooms, departmental teachers rooms, staff quarters, and conference room procuring technology asset,

MAIBANG DEGREE COLLEGE

well furnished Science Laboratories. Indeed the core aim of the institution is to benefit the students and it is accustomed by NCC and NSS and both have a separate office. Students are facilitated by the acquisition of hostels, and common rooms for both boys and girls. With the initiative of the Government of Assam and North Cachar Hills Autonomous Council, a well furnished Science Bloc of the college has excelled towards a new height in the prospects of higher education in the district.

Accredited with Grade “B” by NAAC with SGPA 2.37 in the First Cycle , the College stands as a symbol of quality education and continuous progress. The institution remains committed to empowering students with knowledge, skills, and ethical values necessary to navigate the challenges of a dynamic world. The IQAC and the NAAC Steering Committee teams of the college are now headed by Dr. Pranjit Sarma with a new wave for setting up a new milestone for the next cycle of NAAC Assessment Process.

In addition to academic pursuits, the institution emphasizes the holistic development of students through a variety of co-curricular and extracurricular activities. Therefore, I extend a cordial invitation to aspiring students to join this esteemed institution. Here, you will discover abundant opportunities to develop your potential and shape a promising future. The college is dedicated to supporting you at every step of your academic journey.
